

Dear Guest Kindergartner,

 to kindergarten! You are officially part of our new school family at Guest! You and I are going to be together in Room 2. I hope you are as excited as I am about beginning our school year together. We will do lots of things that I know you will like!

We will sing songs , meet new friends , and hear

special stories , . We will also learn about letters ,

numbers  and words . We are going to

have so much fun learning together!

Don't forget to wear your nametag for the first two weeks of school and bring a large backpack for all your beautiful work and important papers. Be sure to have your name on it.

I am so happy  you are in my class!

Love & Smiles, *Mrs.O*
